# 2026 CLOSER TO CARE SPONSORSHIP OPPORTUNITIES

MultiCare Inland Northwest Foundation is pleased to introduce Closer to Care, an intimate conversation series designed to bring donors closer to the people, moments and decisions shaping health care across our region. Each gathering features conversations with clinical leaders and care teams giving insight into the future of care in the Inland Northwest and the importance of philanthropy. While each event centers on learning and connection, it will also include an invitation to support a specific program aligned with the evening's theme.

Sponsors play a vital role in making this series possible. We invite you to partner with us by selecting the event — or events — that resonates most with your values and choosing an engagement level that feels right for your organization.
